Financial Allocation Study for Texas **2014**

Connecting the Dots:
School Spending and
Student Progress

Campus Listings

From Abbott to Zephyr, nearly every school campus in Texas receives a Financial Allocation Study for Texas (FAST) rating ranging from one to five stars. See how well your campus fares in its relative academic progress and spending.

The Comptroller's Financial Allocation Study for Texas (FAST) examines both academic progress and spending at Texas' school districts and campuses. The following table profiles each Texas school campus, with an assigned FAST rating of one to five stars indicating its success in combining cost-effective spending with the achievement of measurable student academic progress. Five stars reflects the strongest relative academic progress combined with the lowest relative spending.

1 COUNTY —

county in which the district's administrative offices are located;

2 ENROLLMENT —

number of students enrolled in the campus;

3 ACCOUNTABILITY RATING —

TEA rating of academic performance;

4 MATH PROGRESS PERCENTILE —

percentile ranking of math progress;

5 READING PROGRESS PERCENTILE —

percentile ranking of reading progress;

6 FAST COMPONENTS —

elements used to determine FAST rating;

7 COMPOSITE PROGRESS PERCENTILE —

percentile ranking of combined math and reading progress;

8 SPENDING INDEX —

ranking of spending per pupil, adjusted for regional wage differences, relative to the district's fiscal peer group; and

9 FAST RATING —

star rating combining academic progress and relative spending;

** Insufficient data

*The FAST Rating is an average of the composite academic progress percentile and the spending index; districts with the lowest spending relative to similar districts and the most academic progress receive the highest scores.

*The FAST Rating is an average of the composite academic progress percentile and the spending index;
districts with the lowest spending relative to similar districts and the most academic progress receive the highest scores.

*The FAST Rating is an average of the composite academic progress percentile and the spending index;
districts with the lowest spending relative to similar districts and the most academic progress receive the highest scores.

*The FAST Rating is an average of the composite academic progress percentile and the spending index;
districts with the lowest spending relative to similar districts and the most academic progress receive the highest scores.

COMPOSITE PROGRESS PERCENTILE: 80-99 60-79 40-59 20-39 LESS THAN 20
